Dear Faithful Supporters and Prayer Warriors:

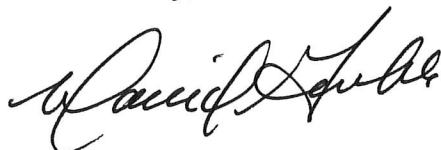

I am writing to update you on the status of the Shenandoah Boys Ranch. In July this year I sent a letter to all our supporters informing them that we had to close the Ranch ministry for the summer and would reassess its future. After much prayer and discussion with our church and other pastors, we feel that the Lord is leading us to permanently close the Ranch. We are so grateful for the fruit it has yielded in the lives of hundreds of young men for the past 50 years. Many of you have continued to support the Ranch over the summer which has been a tremendous help for our Ranch staff who are maintaining the care of the properties.

Our Girl's Haven is still in full operation. Thank you for your prayers and support of that ministry. We will continue to concentrate our efforts and resources into that home ministry. We could not continue without the help of God's people!

Please know how much we appreciate you and your faithful prayers and support over the years. May the Lord richly bless you for your kindness towards our ministry.

Feel free to contact me if you should have any questions.

Sincerely,

David Gamble
Pastor

Dear Friends and Supporters:

September 18, 2026

"It is of the LORD's mercies that we are not consumed, because his compassions fail not. They are new every morning: great is thy faithfulness" (Lamentations 3:22-23). We are grateful for God's goodness in our lives. We are certainly unworthy of it. May we never lose the wonder of it all — His amazing grace, His inexhaustible love, His eternal faithfulness, and His mercies that are new every morning. The longer I serve the Lord, the more amazed I am that He would allow us the incredible privilege of serving Him!

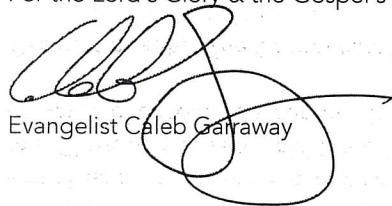

This is one of the reasons these monthly reports mean so much to us. We are not simply reporting numbers or analyzing the results of another online campaign. We are rejoicing in God's faithfulness grace, love, and mercy! Around the world, real people are hearing about Jesus Christ. Someone who may have never clearly understood the Gospel was given an opportunity to know it, understand it, and believe it. Souls under the burden and guilt of sin discovered that Christ had already paid the price and called upon the Lord to be gloriously saved! What a privilege that God allows all of us to have a part in this wonderful work!

This past month, *"The Gospel Film"* reached **11,027,755** individuals through campaigns around the world. The film received **9,701,323** views, **195,769** reactions, and **53,931** shares, with **912** testifying that they trusted Jesus Christ as their personal Saviour. *"Oh that men would praise the LORD for his goodness, and for his wonderful works to the children of men!" (Psalm 107:8).*

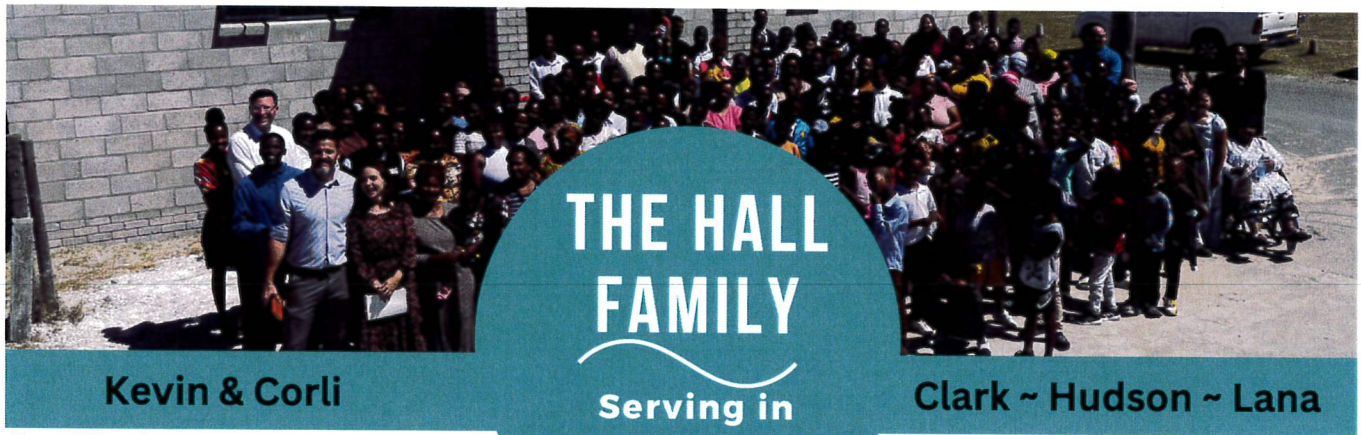

I cannot thank you enough for faithfully praying and financially partnering with *"The Gospel Film Project."* God has used your investment to help send the Gospel into places most of us will never be able to personally visit and place the message of salvation before people we will never be able to meet until Eternity. This ministry is truly a partnership of co-laboring. As we move forward, please continue to intercede for God's hand upon this ministry. Pray for His wisdom in every decision. Pray for His provision for every opportunity. Pray that He would prepare hearts before the Gospel ever appears on their screen. Pray that many more precious souls would hear the Truth, believe on the Lord Jesus Christ, and be saved. **And through it all, may we never lose the wonder.** May His goodness, grace, love, and mercy compel us to serve Him more faithfully, pray more fervently, give more sacrificially, and tell more people about the wonderful Saviour who has done so much for us.

Thank you again for standing with us. We are humbled, grateful, and excited to see what our faithful God will continue to do in the days ahead!

For the Lord's Glory & the Gospel's Sake,

Evangelist Caleb Garraway

Dear Church Family and Friends,

Corli, Lana, Hudson, and I are so thankful for your faithful prayers and partnership in the gospel here in South Africa. We count it a joy to serve on your behalf.

This month Madiba Bay Baptist Church is celebrating 19 years of faithful witness. It's bittersweet. The gospel is still being preached and lives are still being changed there, but we also remember Pastor Lubabalo Sitole who pastored the church for over a decade. He is now with the LORD. We miss his kindness and faithfulness. The good news is that God seems to be supplying the church with a potential pastor. Sisipho Hoboshe, the young man living in our home, is called to preach and is currently studying at Bible college. He has a desire to go to Madiba Bay. After preaching there a few times, the church also has a great interest in him becoming their pastor. Please pray for clear direction for Sisipho and for the church as they seek the Lord's will.

Kuyga Baptist Church recently did a local missions trip to a neighboring town about 1 hour away. One of our members is from there and had a burden to get the gospel to his people. We took a team and distributed gospel tracts and flyers in multiple languages, and witnessed door to door. Please pray specifically for the town of Hankey (a town of about 12-14,000)— that God would save souls and even build a church there.

This past weekend I had the privilege to preach and teach 3 times to the men of several of the churches here. It was a great time of friendship, fellowship, and growth in the Word. Pray that God would raise up godly, strong, faithful men in all the churches here. It is so true as the Bible proclaims in Proverbs 20:6: "Most men will proclaim every one his own goodness: but a faithful man who can find?" Several of our men testified of how helpful the camp was for them.

Bible College is going well. The students are learning solid doctrine in classes like "The Life of Christ" and "Personal Evangelism." We see a real hunger in their hearts to share the gospel with friends and family. They're also learning practical skills. The girls are in "Advanced Sewing" and the guys are taking a "Mechanics" class. We've also had enrichment classes like "Teaching Children and Youth" and "Youth Ministry and Prayer." Pray for us to help prepare them to excel for the Lord!

Hudson is doing well in his senior year of high school. He is finishing his GED online and doing full-time Bible college at Bay Baptist Bible College, plus a welding class. He is preaching to the youth each week and leading a children's Sunday school class on Sunday mornings. He's been able to lead a few children to Christ, one of whom, Junior, was recently baptized. Please pray for Hudson as he seeks to leave a lasting impact before he leaves for the USA next year.

Other Prayer Needs

Grace Baptist Church is still in need of help to finish their church building. It's a wonderful local church and they desperately need the space. Pray God would supply the need. For more details see the video in our letter. Thank you for your prayers and continued support. We love and appreciate you all! God bless.

MISSIONS

Dear Pastor,

I hope this letter finds you, your family, and your church well. I wanted to write and let you know of an upcoming transition for us.

Pastor Pearson, the Deacons of Colonial Baptist Church, and I have talked of my desire to transition ourselves to Faithway Baptist Church in Evansville, IN, under Pastor Stephen Russ. We are grateful for Pastor Pearson and our friends at Colonial and thankful for how the Lord is using them.

After ten years of basing out of Colonial, we are moving back to Southern Indiana and our new sending church will be Faithway Baptist Church. During our ten years of full-time work with BEST Missions, we have never had a house. We have always lived as nomads. I am closer to sixty than I am fifty. Several things this past year have confirmed to me that I need to get some things in place for mine and Amber's future.

I have known "Bro. Stephen" since he was a teenager and now, he is nearing forty. He has traveled with me to Thailand to see the work on the field and has set up a good working relationship with Tan. He also pastors two of our daughters, and their husbands, and four of our grandchildren.

I would like to ask if you have any questions please don't hesitate to contact me. I would also ask that if you have previously sent your support for us, or Tan Juntasung to Colonial Baptist Church that you would start sending those to Faithway Baptist Church. Our new ministry address will be Faithway Baptist Church 3635 Pollack Ave. Evansville, IN 47712.

I hope and pray that you will continue to partner together with us to get the Gospel and the Word of God to the people of Southeast Asia and to the uttermost parts of the earth. Thank you for your continual help and prayers!

Your Servant in Christ,

Curtis & Amber Hall

BROKEN HEARTED AT THE GROTTO

As part of our missions teams visits, we like to take them to a grotto in New Lodge. What is a grotto? A grotto is a natural or artificial cave, many of which can be religious. The one in New Lodge is dedicated to Mary and is attended weekly by the Legion of Mary to pray the Rosary with anyone who would like to join. When you pray the rosary you pray to Mary 53 times, observe Catholic mysteries, but never really talk to Jesus. In fact, in the majority of Catholic prayer, you cannot speak with the Lord directly. You have a saint or Mary to be your intermediary. I try to convey the tragedy of this when we get to see the grotto.

As we walked away with one of the groups, Ruby looked at me and said, "Daddy, when you were talking about how Catholics can't pray to Jesus, and how they had to have Mary, I almost cried." It's amazing to see the softness of children's hearts! Where I had become focused on the analytical and theological aspects of Catholicism, my daughter felt the deep tragedy of people simply believing that they cannot get to know, talk to, or spend time Jesus who loves them. The sensitivity of her heart for the lost broke my heart for them as well. As we talk about the need for the gospel in our community, remember that these are sincere people in darkness that they've heard all their life. Pray that we can help them see the truth of God's word and God's love for them!

FIRST TEA AND COFFEE OUTREACH

In Ireland, hot drinks like tea and coffee are a central part of life. Therefore, giving out cups of tea and coffee makes for a great chance to meet and talk with people. We set up a table outside the church building, made some hot water, and went out armed with biscuits to reach folks. We were able to meet many and talk with several people. This was our first time doing this in the New Lodge, so we're learning the area and the people. We were excited at how well we were received during the outreach and we're looking forward to trying again!

Thank you for praying for us as we reach out into our community with the gospel! Please continue to pray that God would grow His church!

Thank you,
Sam, Beth, Ruby, and William Quinn
