

October, 2022

In whom we have redemption through his blood, even the forgiveness of sins:

Col. 1:14

We have been teaching and preaching the basics of Christianity and it all starts with one thing, the blood of the Saviour that was shed because of our sins! Until you are saved and in Christ, you cannot live the Christian life. And there is no greater life than to live with Jesus!

Public Ministry

We have just finished what is our busiest time of public ministry. The national celebrations of independence and the day of children and the local celebrations of flowers and other things. We are usually out distributing tracts at parades and events around town. We had prepared thousands of tracts and all was going well until I became sick. I was in bed for one week and have been trying to recover my strength since then.

Dawn, the children, and others in the church did go to two parades, the third was canceled because of storms. But I am afraid we did not get the usual number of tracts out. Please pray that we can get out and do more public ministry.

The Wedding

Jason and Jillian were married on the 7th of October in a beautiful ceremony. This was my first wedding to officiate but I think that all went well. The important thing is the vows that they took before God promising to care for each other until death separates them.

I think it is the second most important event in a person's life. I believe it is the greatest blessing after salvation, having someone to share all of life's ups and downs. I am so thankful for the last thirty years that my dear wife has been by my side helping me through every event big and small. Please pray for my wife, she works so hard and long to care for this family and those in the church.

School

We have four new students in the school this year and we are renting a house in barrio Puran for this year. This is the third place that we have rented with the hope that someday we will be in our own building.

The well is still on hold while we try to please the head of the local water company. We have submitted our paperwork five times, but he always has a reason to reject it. If you, please pray for us to find grace in the sight of this official so that he will give us permission to put down the well. Please, Lord?

God Bless You!

Thank you so much for your prayers, the spiritual battle at times seems so long. But when we remember that the Saviour has promised to come without notice we are encouraged that we may see Him at any moment. So, keep a watch, He is coming soon!

God bless you all!
