September, 2026

For thus saith the LORD that created the heavens; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited: I am the LORD; and there is none else. Isa 45:18 Remember He is the only God, he knows no other.

PROGRESS

It has been a long summer. Many doctor office and emergency room trips have filled our days. But we praise the Lord that I am regaining my strength. The doctors have me on daily medicine and an infusion every three months. Each day I am up and about more, sometimes even forgetting the walker. This past Sunday the Lord enabled me to be in the House of the Lord with the saints at Liberty Baptist Church in San Jose. Live Stream is a blessing, but it can never replace being there in person. Please pray as we make a trip to Honduras for 5 weeks. We look forward to seeing our children and church family.

PRAISE AND THANKS

First, we thank you all who pray for souls to be saved. David, our 15-year-old son, asked Christ to save him this July while at youth camp. During the same week Eliseo, in Honduras, prayed for salvation. We are so thankful God is not restricted by space and time. We are so thankful for the individuals and churches who have supported our efforts all along the way. Most of you have been a part of our ministries since we began some 21 years ago. Thank you!

Praise the Lord for the churches and individuals who come forward to help carry the burden of expense so we can travel between Honduras for ministry and California for medical aid. Only eternity will show the results of your sacrifice and love for souls. Also, thank you to the one who bought 40 new desks for our students and helped to pay for repairs to make our school safer.

ADOPTIONS

Natalia Joy Snyder has a birth certificate with her new name! Praise God! Next step is the US embassy to start the process for her to be a US citizen. Thank you to all of you who have prayed and gave for this little girl to have a family. We are praising the Lord that Victor's mom signed the last papers and he is now able to be adopted. Heidy's family is still not responding to the need of a signature nor do they wish for visits. Please pray for these children. They deal with many emotions that go with the uncertainty that comes with not knowing when social services may call and what it will mean. Thankful we have a God who cares for the orphans.

SCHOOL

Pure Words Academy is a registered school! Praise the Lord for his hand through this process and thank you to all who prayed. The 2026-27 school year started with 78 students in grades 1st – 7th grade. The English prep class will begin in January, Lord willing the new room will be finished in time. Less than 10 of these children profess Christ as Saviour. Please pray for these souls as we share Christ through classes and daily conversations. Our hearts desire is they all be saved.

PRAYER

Please continue to pray for health and strength to serve, the funds to keep the school and church doors open along with the travels for doctors. WFTW has funds set for travel and School needs. Thank you to all that pray and give.
