Praying Friends

September 2026

As we reach the end of summer, we look back and rejoice in what God has done through your faithful giving and prayers. A couple of requests we mentioned in the last letter were concerning our Friend Day and Holiday Bible Club (VBS). Friend Day went smoothly, with 6 new visitors in attendance. Dr. and Mrs. Bosje brought a group of 9 friends from Indiana and New York to help us put on this special day. God's family is the best!

Holiday Bible Club 2026, "Investigation Destination," was a wonderfully blessed week, with 4 children trusting Christ, more than a dozen first-time visitors, an average of 27 children and 10 teens each day, the invaluable help of missionaries Jennifer Rarrick and Christian DeMotive, a record-breaking penny offering given to our guests, and 114 in attendance on Sunday—the highest Sunday morning attendance in recent years. Praise the Lord!

The month of August is usually a quiet month, with many out of town on "holiday." However, this year the pace hasn't slowed at all, especially with the steady rhythm of discipleship appointments filling both my father's schedule and mine. On the 16th, we had our Baptism Sunday, and we rejoiced to witness 4 souls baptized, including a couple from Iran. Our month concluded with a joyful Family Service, highlighted by special music from each of our children's classes.

Soul Report:

During soul winning and visitation this month, **we had the joy of witnessing to 7 souls, with 4 accepting Christ.** "I'm one beggar telling another beggar how I found bread" became deeply personal on Saturday when Patrick, a man begging on the street, accepted a tract and asked for prayer. Just 20 minutes later, he bowed his head and received Jesus—praise the Lord!

Family Update:

Our little Hazel continues to grow and develop wonderfully. Please pray for us as we relocate to London for a short time in October for her birth. Once her U.S. paperwork is completed, we will return to Preston and continue in the ministry.

Before then, we have a packed schedule of events, building projects, and outreaches. God is doing a work here! Thank you for your essential and faithful giving and prayers!

For His glory,

Daniel, Rachel, Ruby, Andrew,
& Baby Solt
