

SEEDLINE SOUTH

a ministry of Providence Baptist Church

Fall 2026

Dear Pastor and Praying Friends,

I love this time of year. It's the best! Temperatures are changing, getting cooler finally. Leaves are changing colors. Lives are being changed by the Gospel! The past few months have been extremely busy. We have been able to complete several Scripture Assembly Projects in familiar churches while also being at some for the first time. I truly appreciate everyone who gives sacrificially their time and treasures so the Word of God can be assembled, shipped and distributed.

Languages including English, Spanish, Thai and Pidgin have been completed and sent around the world. For every 1 copy that's distributed, on average, 10 people read it and 1 person accepts Christ as Savior. Wow! What a great return on investment. 1 Scripture represents 1 soul of a man, woman, boy or girl that is created in God's own image. Thanks to everyone for their assistance in fulfilling the Great Commission. There's so much more to do.

A huge thank you to those who continue to pray for our family, especially my wife Tanya. After a few trips to City of Hope Cancer Center in Atlanta, she met with oncologists, surgeons, hematologists and others while having MRI's CTs and blood work completed. There seems to be a new formation behind her existing liver tumor. Scans have also revealed something on her pancreas. Not sure yet if its cancerous. Please keep her in your prayers.

Our kids are doing good. They are a huge help and blessing. Ivie works full time at a physician's office while Levi is doing well in school, playing baseball and helping me when needed. I'm looking forward to the next four months (Ministry, holidays and spending time and making precious memories with family) Thank you for your continued support.

Serving Him Together,
Terry Sturgill
