

SEEDLINE SOUTH

a ministry of Providence Baptist Church

Spring 2026

Pastor and Praying Friends,

Greetings in the name of our Lord and Savior Jesus Christ.

I pray for you often and very much appreciate and covet your prayers for our family and ministry.

We have an enemy that seeks to kill, steal and destroy. He will attempt to discourage and distract so God's Word will not reach those who desperately are seeking hope. But we serve a God who is able! He is greater mightier and stronger than any adversary. He's already won the battle, and because of Jesus, we are victorious.

In the first six weeks of 2026, we had to cancel two Scripture Projects due to weather and Tanya's health. Since that time however, we've completed seven, Praise the Lord. I've also been able to deliver scripture to some of our planted level churches. I'm extremely blessed and thankful to all of you who work tirelessly and give sacrificially so that this wonderful ministry can continue to thrive, and folks can continue to receive the life-giving message of the Gospel.

The next few months are very busy for us, as we have projects assembling scripture for the military, World Cup Soccer and several countries including Malawi (West Africa), Mexico City (Mexico), and other places where God's Word is needed. Please pray for safety on the roads and during the projects.

Please also be in prayer for our family, especially Tanya. She has decided not to seek any further treatments for cancer. Her body is worn out and hurts. She will receive scans periodically to determine next steps. We are trusting God to heal her. He is able! Thank you for your prayers and financial support.
