

SEEDLINE SOUTH

a ministry of Providence Baptist Church

Summer 2026

Pastor and Praying Friends,

As we celebrate America's 250th Birthday, I can't help but to reflect on God's faithfulness. He's been a very present help throughout the years to our country. He's also been faithful in our family and the ministry of Seedline South.

Most of you are aware of some of our family struggles, most notable Tanya's cancer battle for the past 4 ½ years. It's been difficult and even unbearable at times. But God has been faithful and has gotten us through thus far. No need to doubt Him now. Also in the ministry, in July we will celebrate 13 years of serving out of Augusta and 15 years overall. The Lord has surely blessed. Although Tanya has endured countless procedures and difficulties, she's still here. Praise the Lord! And through ups and downs, the ministry has thrived (producing over 17 million copies in the past 13 years). My prayer is for our family to have many more years together while we continue to serve the Lord. Thank you to all who have and continue to pray and give sacrificially of your time, talents and treasures so the Gospel can be sent.

A few weeks ago, an MRI revealed that I have a partially torn bicep and arthritis in my right shoulder. I have opted to postpone surgery for now. There's just too much going on for me to be out of commission for 6-8 weeks or longer. I will try to ice, stretch and rest it for now.

The past few months have been extremely busy. We've been able to assemble scripture for Africa, South America, Europe, Mexico and for the World Cup in the US. Seedline South is truly reaching the World with the Good News of Jesus Christ. Thank you for helping and making it possible.

As we head into summer, not only is the temps heating up, but also the opportunities to present ministry are coming up. Please pray for our family, especially Tanya. For our Ministry (opportunities to serve), financial support (we recently lost one of our longest supporting churches, and discernment on decisions to be made.

Serving Him Together,
Terry Sturgill
Seedline South Director
