Dear friends in Christ,

March, 2026

At the present, we have 4 construction projects we are working on: our church auditorium, the multi-purpose radio ministry campus, an addition to one of our radio staff houses, and a camp wall. We have made amazing progress in all four areas and continue the work even as I write these lines. Completed projects excite us. But we have even better news!

A little over two weeks ago I lead a man to Christ. His name is Hender. He had heard the gospel when he was a child and the seed was sewn. I had the honor of reaping. But it does not matter who sews or who reaps, it is all the Lord's doing. Jesus is the Savior and not the one who shares the gospel.

All the satisfaction in construction does not compare to the joy of seeing one person come to Christ! It was thrilling. In eternity, the comparison will be even more astounding.

Please pray for Hender. He is a businessman and has a wife and three children. He is the only one who is saved. His 17-year-old daughter did come to prayer meeting one time. Pray for the salvation of his family.

Hender gave his testimony in prayer meeting and emphasized his total trust in the sacrifice of Christ on the Cross. Those are close to his exact words. It is amazing how the Word he learned as a little boy in Sunday School many years ago made an impact in his life.

Hender giving his testimony in prayer meeting

To all who gave to our camp ministry for scholarships and construction, we want to express our deep appreciation. While work on the camp continues, camping season is over and it was a fruitful time. We praise the Lord for the ones who made decisions this summer. We pray more little children and young people who have heard the Word will come to Christ as Hender did. The following is just a tiny video a lady made for me to show you in a few seconds the joy of working for Christ at camp. You can click once on this link.

Keep up the good work for our wonderful Lord.

For Christ's glory,
Stanley and Ruth Templeton
