Dear friends in Christ,

June, 2026

The radio ministry has recovered from the losses we suffered from the robbery of our radio station in the city of Sullana. The new housing unit that stores the transmitter, computer, and other equipment is now a very fortified bunker. Most importantly, the station is now on the air. We are grateful to the Lord and our many supporters for their help. A lot of listeners sacrificed to get the Word of God back on the air. Thank you for praying.

The station in the central coast of Peru located in the city of Huarmey is now off the air. A church granted us permission to put the station on their property. We try to team up with local churches. This helps their ministry as we guide listeners to their church. It is also a big benefit for the radio ministry. We do not have to buy the land, and the church protects the station from thieves.

The Huarmey church received a donation that will allow them to construct a larger facility. Once it is built, we will place our tower on top of the building. Until the structure is finished, the transmission is suspended. We praise the Lord for the church's construction and pray they can finish soon.

In our previous letter, I reported that we were donated a radio license. I need to correct that statement. It was not donated but was sold to us for \$5,000 plus the cost of the transfer of the license. The Lord has provided those funds to make that purchase.

In the second week of June, I (Stan) flew to Tacna, a southern city in Peru that borders with Chile. There I held workshops and taught counseling to pastors. Ruth and I purchased Sunday School materials from our radio bookstore that are produced by EBI (Editorial Bautista Independiente). The manuals, charts, and worksheets were donated to the pastors to help them in their ministries. The radio ministry also prints a chorus book that we compiled years ago. We took some of those as well as other books. Our bookstore is a good resource for many churches and pastors.

This month I have had lots of counseling. Counseling provides big challenges, great victories, and requires lots of time and love.

I recently finished preaching a series through the book of Job. What a powerful book. At the end, I plan to give messages on how to apply what Job teaches us.

The last two weeks in June, I was in Spain to visit our family. Jonathan and Lorena Templeton are missionaries in Ponferrada, located in northern Spain. What a great time to be with five of our grandchildren! Meanwhile, Ruth visited six of our grandchildren (Jessica's children) in Pennsylvania and continued helping her twin brother who has suffered three strokes. God willing, on July 1 Ruth and I will meet up in Lima to continue serving our wonderful Lord.

From the middle of August through November 1, we plan to visit as many of our supporting churches as time will allow. We will lack visiting four more and hopefully we can visit them in 2027. Thank you for your patience in getting around to report to all of you.

For Christ's glory,
Stanley and Ruth Templeton
