Dear friends in Christ,

August, 2026

The first days of August were very busy filled with counseling, preaching, and radio broadcasts. We also were preparing for our travel to the U.S. and setting up meetings to visit more of our supporting churches. This time we plan to report to churches in Virginia, Maryland, and Pennsylvania.

Our church continues to grow in number, and we pray we are all growing in the Lord. We are blessed to have many very faithful leaders in the church to carry the load of the ministry. Several men preach. Three different teams work with three different youth groups that are divided up by age. There is also a great team for children's club and ladies who serve unselfishly in the nursery, funerals, counseling, hosting, and on so many occasions.

Two joined our church on the first Sunday of August. It is always an encouragement when people are saved and added to our church family.

Miguel and Yanelly (pictured right) are the couple that became members this past month.

I preached at the church located at the radio tower site in Lurín, just south of Lima. We started this little church 16 years ago during our second year upon arriving in Lima and it was the church's anniversary.

We have had two challenges with two different radio stations. A small balloon from a party in Lurín floated over onto our property and got stuck on an insulator of the tower. It became necessary to shut down the transmitter until we could call on the help of a technician to climb the tower and get the balloon off the insulator.

A second challenge is the situation with our station in Moyobamba. We lost our electricity to the station when a truck tore out the electrical line supplying the energy. We have rebuilt all the damage done by the truck and are waiting for the electrical company to turn on the power. They do not move fast.

In the middle of the month, Ruth and I flew to the U.S. We took the time to get ready to travel, coordinate more of our meetings, and spend time with our family in the Chattanooga, Tennessee area. Pray we can be a blessing to many of our supporting churches and for safety in our travel.

For Christ's glory,
Stanley and Ruth Templeton
