

A Letter From T.J. & Tamala Tilley

TILLEY'S TRAVELS

"GO YE INTO ALL THE WORLD
AND PREACH THE GOSPEL..."

MARK 16:15

Dear Praying Friends,

Spring 2026

It has been a great joy to serve the Lord in missions for many years. We are celebrating working in Kenya, Africa, for the past 26 years with a wonderful group of national pastors. God has given us the opportunity to get the Gospel into different areas and hundreds of souls are accepting the message.

1. The public school system, with fifteen million students, is accessible because of the influence and encouragement of Kenyan President Ruto. Teams are allowed to preach the Gospel to each school, and this has swept hundreds into our churches.
2. The cinema ministry has been a powerful tool in getting the Gospel to difficult areas since many areas do not have electricity. A team carries a small generator into remote areas where a Gospel film is shown. When the cinema is shown and the Gospel is preached many are saved and this aids in the planting of churches. (About 15-20 churches are being planted each quarter through these methods.)
3. The Bible school has been a great asset in training pastors and workers in getting the Gospel furthered into the country of Kenya. A graduation ceremony is held each year for those who have completed graduation requirements. As a result, hundreds have gone into the ministry resulting in countless saved and numerous churches planted.

On our recent trip we were involved in training eighty-six leaders from most of the areas of the country. They have a burden of reaching their nation and planting more churches. It was a two-day training session. Many good comments were made about what they received during the sessions.

Several new church buildings are currently being constructed (about six or seven) from the churches that have been planted, and it was a joy to preach in one of the new church constructions on my visit.

We are thankful to have stayed in good health, and we thank you for your prayers and faithful support.

Sincerely,

Bro. T.J. & Tamala Tilley
