

WORLDWIDE

NEW TESTAMENT BAPTIST MISSIONS

September 2026

Dear Friends,

As I look back over the past few months at World Wide New Testament Baptist Missions, I find myself grateful for the people God has brought together to carry the Gospel around the world. Missionaries go. Churches send. God's people pray and give. Our staff serves behind the scenes to help make that work possible.

You are an important part of that partnership. In fact, you are one of 73 supporters around the world who help make the work of World Wide New Testament Baptist Missions possible. Because you have chosen to stand with us, I want to share some of what the Lord has allowed us to see in recent months.

We are presently serving nearly 100 missionary families, including five missionaries on deputation. I encourage you to visit MissionsAgency.com and get acquainted with these new families as they raise their support. We also have two families moving through our application process. We are grateful whenever God allows us to help another church send its missionaries to do the work He has called them to do.

We want to serve churches and their missionaries every step of the way, from the first stirring of interest in missions, through God's call to go, and throughout their years of service around the world. See the Harvest is one way we help churches do that. This year, three See the Harvest trips have given people the opportunity to experience missions firsthand. We pray these trips will deepen burdens, clarify God's direction, and help raise the next generation of missionaries. I encourage you to contact Brother Cody Carden or visit SeeTheHarvest.com to learn how See the Harvest can help your church put people on the mission field long enough to see what God may do in their hearts.

Here at the home office, the Lord has allowed us to add one new full-time staff member. As you support WWNTBM, you help make it possible for our staff to serve missionaries every day through financial services, communication, administration, problem-solving, and countless details that most people will never see. Much of what happens here may take place behind the scenes, but it allows our missionaries to concentrate on the work God has given them to do.

Our annual Family Fellowship Week was another highlight. Missionaries serving in different places and circumstances came together to renew friendships, encourage one another, worship together, and remember that they are part of a missionary family. Your partnership helps us care for missionaries not simply as names and account numbers, but as people and families who need fellowship and encouragement as they serve.

Not every part of this quarter has been easy. One of the greatest needs I have seen recently involves the health of several of our missionaries, some of them young in age. Serious health issues have required time away from their fields, unexpected medical expenses, specialized treatment and care, and changes to ministry plans they could never have anticipated.

This is one area where you can help immediately. Please pray for healing and strength. Pray for wisdom for physicians and those providing care. Pray that financial needs will be met. Pray for missionaries making difficult

NEW TESTAMENT BAPTIST MISSIONS

decisions about treatment, travel, family, and ministry. Pray for the grace and peace they need when God's plan for the next few months looks different from the plan they had made.

We have also experienced loss. The home-going of Al Bonikowsky, who served for over 43 years, reminds us that the work we are doing today rests upon generations of faithful servants who invested their lives in the Gospel. We thank the Lord for his life and service, and we continue to pray for those who feel his absence most deeply.

When I consider these past few months, I do not simply see numbers, trips, staff changes, health needs, and transitions. I see people. I see missionaries answering God's call, churches sending them, staff members serving them, and God's people praying and giving. I also see you as part of that story. Your faithful support helps us serve these missionary families day after day so they can concentrate on what God has called them to do: take the Gospel of Jesus Christ to people who need to hear it.

Thank you for standing with us. Thank you for believing in the work. Thank you for praying for our missionaries and our staff. Most of all, thank you for helping take the Gospel around the world.

Yours for the harvest,

John O'Malley

August 2026

Dear Praying Friends,

August was quite a bit busier than most years. Most years, Amber and I try to take a vacation during August before things get busy again in the fall. This year, we had meetings in churches in Alabama, Louisiana, Indiana, Missouri, and Arkansas. We will have to squeeze in a vacation sometime later.

To make things even more interesting, at the beginning of the month, Amber cut her foot right at the ankle, requiring four stitches and a trip to the emergency room. More than four weeks later and she is still dealing with it not being healed completely. Because it is right at the ankle, any movement causes it to reopen to a degree. Please pray for her recovery.

Toward the end of the month, we were in Huntsville, MO, to load our 51st container of Scripture. This was done in conjunction with World Missions Bearing Precious Seed and Bro. Sam Martin. On this container was 2,379 whole Bibles in three languages, 1,768 Thai New Testaments, 31,734 Gospel tracts in two languages, and 190,300 Thai John and Romans. I am very thankful for all the churches that help make this happen! It was a joy to be able to spend a little bit of time fellowshiping with Bro. and Mrs. Martin on top of all the work we did.

While we were loading Scripture, Tan was busy distributing Scripture to churches in Thailand and a creative access country. BEST was able to supply churches with 936 whole Bibles, 51,800 John and Romans, and 63,000 Gospel tracts. He hosted a Preachers Fellowship in the southern region of Thailand with fifteen churches attending. Please pray as we are trying to get Scripture to the very southernmost part of Thailand that is a majority muslim population.

Included separately from this letter is another letter explaining a transition taking place for us and BEST Missions. If you do not receive a separate letter, please let me know. Amber and I are very thankful for Colonial Baptist Church and the last 10 years that we have been a part of it.

Your Servant in Christ,

Curtis & Amber Hall

July 2026

Dear Praying Friends,

July found me heading over to Thailand. I was thankful to be able to host Pastor Stephen Russ of Faithway Baptist Church in Evansville, IN, and Bro. Micah Hon of Victory Baptist Church in Rowlett, TX. This was the first missions' trip for both. I didn't give them or myself much time to recover from jet lag before going to work. On our first full day we worked to unload our 50th container of Scripture. Unloading 1288 boxes containing 253,050 Thai John and Romans will help work out the stiffness after traveling thirty hours. After unloading the container, Bro. Tan asked Pastor Russ to share the Gospel with the men who came to help unload the container. Please pray for these men to trust Christ. We were blessed to be in quite a few churches and have meetings with even more pastors. One highlight for all of us was to preach chapel at a seminary for Karin students located in southwest Thailand close to the border of a creative access nation. These young people have come to Thailand fleeing the persecution of their government. Many of them have already faced extremely difficult situations in their young lives.

I am very thankful that Tan Juntasung was with us for the entire time. He was a great help and blessing to all three of us. Pim, Tan's wife, was able to be with us for part of the time. She and Tan both have worked to help streamline the process for getting containers into Thailand.

Prayer Requests:

- Upcoming BEST Bible Conference at Colonial BC in Rogers, AR, September 7 & 8
- Funds for the Thai whole Bible project – projected need \$30,000
- Funds for a ministry van in Thailand – need an additional \$28,000
- More supporting churches for the ministry needs of BEST Missions
- Traveling mercies for Amber and I as well as Tan and Pim
- The loading of our 51st container of Scripture on August 27th at Sweet Springs Baptist Church in Huntsville, MO

Throughout the month of July, BEST Missions was able to distribute 849 whole Bibles, 10,200 John and Romans, and 15,600 Gospel tracts.

Thank you for your prayers, support, and partnership with BEST Missions!
