Dear Pastors and Partners in Ministry,
Thank you for your faithful prayers and support.

New City

The Lord has been faithful in allowing us to get settled into the new city He has placed us, Mbombela. We are excited about the work He has planned. A group of missionary friends accompanied us on the 17 hour trip. This was a tremendous blessing to our family! We have enjoyed learning from veteran missionaries Richard and Laura Badgett (BIMI missionaries for 20 years) who are just one city to the north of us. They have graciously allowed our family to serve on several occasions which has helped us get more familiar with the area. We appreciate your prayers for us!

We plan to start a church as we follow the Lord's guidance. We have been seeking the Lord's wisdom on the steps he would have us take. Everywhere we go people are lost and without Christ. Pray that the Lord would make it clear as we seek to win souls and follow our Savior. We are burdened for the deaf of the area as well and are seeking to engage them with the gospel as we learn both ASL and SASL. We also have started a Portuguese Bible Study and appreciate your prayers for this effort.

Our kids have transitioned well by the grace of God. Logan is making friends quickly. Alainei has good therapist and doctors close by and Henley is growing like a weed. We count it a joy to serve the Lord as a family.

New Creature

One young man Noah had the opportunity to lead to Christ was named "Success". His name was intriguing and Noah showed him the only place that his name is mentioned in the Bible, Joshua 1:8. This opened the door for a good gospel conversation! Success repented and placed his faith in Jesus alone! Pray for Success to grow in Christ.

Your Missionaries, Noah, Tristan, Logan, Alainei and Henley Wilkerson
