Dear Pastors and Partners in Ministry,
Thank you for your faithful prayers and support!

Liberty Baptist Church Update

We are thankful for what the Lord has done at Liberty Baptist Church over the last few weeks. Several have made professions of faith in Christ and are being discipled. We also enjoyed having the Josh Barton family with us from Mozambique for a mid-week service as well. Josh's message from Daniel greatly encouraged some of the new believers! We have also seen some great leadership qualities emerge from some of the local young men in the church.

We are praying the Lord would add several couples and families to the church plant in His timing. We must remain faithful in evangelism and outreach allowing God various avenues to continue working. We are learning that God is pleased by faithfulness and He will work in His timing and how He sees fit. Please continue to pray with us in this area.

Family and Gospel Opportunities

With each passing month we are thankful the Lord allows us to continue to serve Him on the mission field. In August, our daughter Alaine was in hospital with bowel obstruction and pneumonia. The local doctors and hospital did a great job in providing adequate care to bring her to a full recovery after a long two weeks. Her CHARGE syndrome is very complicated so we are grateful for people the Lord has provided to care for her in this season.

Along with soul-winning and evangelism this month, we will have a missions team of 25 people come with missionary Jeremy Hall. They will be traveling over 20 hours to help us with a family and young adults conference. As a new church plant, we will be very grateful for the help and encouragement from this generous trip. We are praying for fruit that remains from this effort!

Your Missionaries, Noah, Tristan, Logan, Alaine and Henley Wilkerson
