Church Planting In Paraguay

May 2026

VBM Orientation

One special thing about being stateside is having the opportunity to attend our mission board's orientation. This is a time of recharge, learning, and growth for us as missionary families. We were helped and encouraged by attending many classes during the week and fellowshiping with friends who are serving the Lord all around the world. We are thankful for the opportunity to keep learning and preparing for what God has called us to do in Paraguay.

Furlough Travels

We are so thankful for God's traveling mercies during this time of furlough! During April, we traveled to North Carolina, Ohio, South Carolina, and Georgia. We had the privilege of updating our supporting churches and presenting in a new church as well. We only have a few more trips scheduled before the baby comes, and we covet your prayers for continued safety.

Specific Prayer Points

In the months leading up to our arrival in Paraguay, I will be sharing specific prayer requests for you to join us in. We know that the Lord goes before us, and He works through our prayers. This month, please pray with us for the hearts of the Paraguayan people. We are praying that God would already be preparing souls to be saved and to surrender to the ministry. Please pray that God would begin working in the lives of those we will come in contact with, so that they would receive the gospel and produce fruit.

In Christ,
Robbie & Lauren Prater
