Church Planting Missionaries to South Africa

July 2026

Hello Pastors, praying friends, and family!

We hope you are enjoying this busy season of summer camps and Vacation Bible Schools. Ironically, even though it is winter here in South Africa, we are doing many of the same things. Our schools are on a three-week winter break, and we use this time to focus on getting young people under the preaching of the Gospel. Last week, we had a wonderful turnout at Camp Rhino for both the junior and teen camps. Fellowship Baptist Church in Motherwell brought around 20 young people, and we also had four young ladies from Cornerstone Baptist Church attend. Please pray for their salvation.

Last month, we were blessed to host a group of 50 young people from Oakwood Baptist Church in Anderson, South Carolina. They were a tremendous blessing to our ministry, helping us distribute nearly 1,000 invitations to our new church plant. The following Sunday, we welcomed nine first-time visitors. The timing of their trip could not have been better, and we are so thankful for their willingness to serve alongside us.

interns. We currently have plans to host a team this October and another in February 2027. Would you consider bringing a group to serve with us?

Over the past six weeks, Cornerstone has experienced a steady stream of visitors, and we are now averaging around 15 people each Sunday. Our greatest prayer is to see souls saved. Would you join us in praying that God would save someone this month? We have had several opportunities to meet with people and study the Bible together, and we are excited to see what God is going to do in this community.

I was also recently invited to speak at a retirement community near our church. My family sang, and I had the opportunity to share my testimony and preach the Gospel to more than 60 people in attendance. We are grateful for this open door and are praying the Lord will continue to provide more opportunities like it.

This also reminds me to mention that we are open to hosting future missions teams and ministry
