Here are some tools to help you go deeper with Matthew as you read:

1. Look for the Old Testament quotations and allusions. There are many!
2. Watch for how Jesus fulfills the Old Testament types. These would include characters, narratives, and the law itself.
3. Notice the phrase "When Jesus had finished saying these things...". This marks the end of a teaching discourse and prompts the reader to see that Matthew is now going to focus on another theme in the life of our Lord.
