**THEIR NEEDS + CHRIST'S LOVE + YOUR HEART = NEW HOPE**

## DISCIPLES MAKING DISCIPLES

Through faithful teaching, encouragement, and compassionate outreach, our field pastors bring hope and spiritual strength to their communities, living out the message of Christ in ways that lead to transformed lives and growing churches. Pastor Widenel Cherfis of Cima Church shares:

*"I've seen how important it is that when I teach the Word of God and lead worship, I also recognize the needs of the congregation. We recently distributed Creole Bibles, hymn books, and Bible story books to young people and children. It was a joyful moment for everyone. All glory to God."*

## UPDATES FROM YOUR SPONSORED CHILDREN

Child sponsorship continues to connect hearts across cultures and countries. Winter updates for your sponsored child(ren) have been mailed, with only a few still on the way from Haiti.

## EXCITED ABOUT EDUCATION

The new computer classroom for secondary students in Limonade has quickly become more than just a space with equipment, it's a catalyst for confidence and possibility. Teachers are now designing lessons that reflect modern education, integrating research, digital literacy, and interactive tools while students are embracing new opportunities with excitement.

**Thank you for holding onto our hands as we hold onto theirs because there is too much at stake to let go.**
