PASTOR'S PEN

Simon Peter told them, "I'm going fishing."
They said, "We'll go with you." They set out in a boat, but throughout the night they caught nothing. Early in the morning, Jesus stood on the shore, but the disciples didn't realize it was Jesus.
Jesus called to them, "Children, have you caught anything to eat?"
They answered him, "No."
He said, "Cast your net on the right side of the boat and you will find some." So they did, and there were so many fish that they couldn't haul in the net. Then the disciple whom Jesus loved said to Peter, "It's the Lord!" When Simon Peter heard it was the Lord, he wrapped his coat around himself (for he was naked) and jumped into the water. The other disciples followed in the boat, dragging the net full of fish, for they weren't far from shore, only about one hundred yards." *John 21:3-8*

When Jesus met his disciples after his resurrection, he asked them to put their nets down on the other side of the boat. They had been working all night. They were tired. They had tried everything they could think of with no success. Jesus simply asked them to use the other side. The result was a catch so big, they were unable to pull the nets back into the boat. Jesus didn't change the net, the fishermen, the boat, or anything. Turns out changing something wasn't the recipe for success. What was needed was faithfully following Jesus. The people, materials, and location were exactly the same.

Often, we fall into the trap that changing something obvious will solve our problem, or malaise, or stagnation, or whatever. This is the training we have received from the marketing experts on Madison Avenue: buy this, or change this, and your life will be perfect. It is not true, in our personal or communal lives. What we need instead is simply following what Jesus asks of us.

When I reflect on our time together in the last four years, I am thankful that we have been able to listen to Jesus. We have been able to do so much. Trinity is truly ready for the future, and I am thankful that I have been able to be a part of such an amazing community. Keep listening and resist the trap that changing something obvious will change everything. Only following Jesus will.

Yours in Christ,
Pastor Brian

PUB THEOLOGY: AN UPDATE

Thanks to the people who have been attending Pub Theology! A couple reminders for you: there is no requirement that one must be a beer drinker to attend. We gather at 5:45pm at the WayGone Brewery on Patterson Avenue in the

MY TRINITY STORY: BY PAULA CADDEN

I was working at a temp job in April 1995 with Karen Bowman, who was on Trinity's Staff Parish Committee, when she asked if I would be interested in working at her church. I came and worked at Trinity for 2 weeks in a temporary capacity. The first person I met when I walked in the door at Trinity was Harold Adams, who was a phone volunteer at the front desk (it was a Tuesday morning). During these 2 weeks it was Administrative Professionals Day, and all the administrative staff were taken to lunch. We were also given some special gifts. It was a good time to be working here!

The timing didn't work out for me to stay at Trinity at that time. However, it was only a few weeks later that I received a phone call from the Dr. Rev. Eugene R. Woolridge, Jr. asking if I could come in to talk with him. After talking with him and Sandy Peele, who was the Chair of the Staff Parish Committee, I accepted the job of Office Administrator and began working here fulltime in July 1995. Dr. Woolridge said my contract was for 1 million years. Well, 31 years has been as close as I could get to 1 million!

I've learned a great deal about Methodism during my time here working with Dr. Woolridge (2 years), John Peters (16 years), Larry Lenow (9 years), and Brian Siegle (4 years). It has been interesting and enlightening. I've also worked with 9 Associate Pastors – Dwight Zavitz, Tim Craig, Beth Jeffers, Kathy Gochenour, Teresa

McRoberts, Thomas Lott, Drew Willson, HungSu Lim, and Daniel Guenther. It's been a journey that I wouldn't trade for anything. Maybe more like a roller coaster at times, but still a good thing!

One day Charles Staples asked me, "Didn't you say you play the keyboard?" Well, he needed someone to play the piano for a couple of dates during the summer for the mid-week summer services we had at that time. So, I played the piano (I, of course, chose the songs). Then Joan Lassiter asked me if I would sing for the UMW Call to Prayer service one year. She had chosen a song from the Baptist Hymnal that I knew well. After that I did play or sing for 1 or 2 more of the mid-week summer services when there was a need, and even for a Charge Conference one time. I love music and I loved having these opportunities.

In addition to my administrative job responsibilities, I have also helped with child care on occasion; I attended a Bible Study on Revelation with the Dr. Rev. Jim Turner; I delivered Sunday bulletins to the home of the Rev. Harry Eaton that he took to 3 of our homebound members each week; I have delivered altar flowers to a few of our members who were recovering from surgeries; I have helped a homebound member with some of her errands; and I have participated in many Trinity events throughout the years. These things will always be a part of me and Trinity will always have my heart.

In addition to current staff and Trinity members, I also cherish the friendships over the years with former staff members, and with those who are no longer with us – Genevieve and Vernon Collier, Alyce West, Myra Southworth, Alf Goodykoontz, Lane Dickinson, Walt Roish, Phoebe Mackey, Louise Beck, just to name a few of the many.

I will continue to lift Trinity up in prayer after I retire on June 30, 2026. I love Trinity and I love my Trinity family! Thank you for everything you have given or done for me.

Paula: Wow thirty one years of working in a church, it is a miracle that you survived. You managed to navigate the ups and downs of the staff, the congregation, and the community Trinity serves. "Well done, our good and faithful servant." Enjoy every minute of your retirement, you earned it.

Paula has always been willing to help with anything that is needed and will be missed in the office. Happy Retirement!

Paula, What an absolute joy it has been to share an office with you for 10 months! I wish it could've been longer. Beginning with Halloween costumes and the epic Thanksgiving/Christmas office battle, co-sherpa'ing the Trinity office with you this year has been such a delight. It never feels like "work" when you're around. I'll miss you (and all that institutional knowledge!)

SHOES FOR BACK TO SCHOOL MINISTRY

The New Shoes for Back to School ministry is celebrating its 20th anniversary this year. Founded by Third Street Bethel AME in 2006, the ministry has evolved to include multiple churches and a synagogue in a region-wide annual tradition serving thousands of students annually. Trinity's involvement began in 2018.

The goal is to help families in need by providing new shoes to school-age children so they can start the year feeling confident and included.

The in-person distribution event is on Saturday, Aug. 22, 2026 from 8am to 2pm at Third Street Bethel A.M.E. (614 N. 3rd Street, Richmond). Any shoes left over are donated to area Title 1 schools.

Over the years, **the ministry has provided more than 120,000 pairs of new shoes** to Metro Richmond, Henrico and Chesterfield area schoolchildren in need. A coalition made up of churches and synagogues work

together to make New Shoes for Back to School possible. This year's participants include: Broad Rock Baptist, Ebenezer Baptist, Lyndale Baptist, Sharon Baptist, Sixth Baptist, Spring Creek Baptist, Temple Beth-El, Third Street Bethel AME, and Trinity United Methodist.

Each congregation has been asked to donate 125 pairs of shoes. You can help by purchasing and bringing shoes to Trinity, or through financial contributions. (New Shoes for Back to School is included in the drop-down menu on the "Give" page at www.trinityumc.net/give.

Volunteers are also needed on the day of the event. Each church/synagogue has been asked to provide volunteers. At the event, a large fellowship hall is set up with tables according to gender and size--some volunteers will help at the tables; others will accompany the families as they make their way around the hall. Please contact Beth Monroe bethmonr@gmail.com or (804) 339-0664 to learn more.

GOOCHLANDCARES CLIENT COOKOUT—JUNE 23!

GoochlandCares is hosting a picnic for its clients and their families on June 23, 2026. Trinity UMC is invited to help provide food, supplies, and volunteers as part of our community partnership with GoochlandCares. Here are some opportunities for you to help:

Volunteers: GoochlandCares will need approximately **6 able-bodied volunteers** from Trinity to help with set up, serving food, and clean up from **3:00 to 7:00pm on June 23** at GoochlandCares' facility (2999 River Road West). Please contact Carol at carolwampler@msn.com to learn more or sign up to help.

Money: Trinity is asked to provide food (such as hot dogs, buns, fruit, chips, dessert, water, condiments) and supplies (such as ice, paper plates, napkins). The estimated cost of these items for approximately 100 people runs between \$375 and \$450. A donation of any amount of money would be helpful in funding the purchase of these items.

There will be a table in **Trinity's Welcome Center before and after the church service on June 21** to accept monetary donations. Alternatively, you may write a **check made payable to GoochlandCares** and leave it in our church office. Any donations in excess of the amount needed to cover the client picnic will be donated to GoochlandCares to be used for the benefit of clients, as staff sees fit. Thank you for your support of GoochlandCares!

Dear TUMC Church Family,

As part of our Strategic Planning Process, **Envisioning our Future: Building Trinity's Roadmap**, we identified a meaningful opportunity for growth: developing a better understanding of the gifts, talents, and spiritual strengths within our congregation — both individually and collectively.

In response, we are launching a **church-wide Spiritual Gifts Assessment process** using the **Discipleship Ministries Spiritual Gifts Inventory** of The UMC. This effort will help us:

- Better understand how God has uniquely equipped each member
- Strengthen connections between individuals and ministry opportunities
- Support our committees and service ministries with aligned leadership and participation
- Provide our incoming pastor with valuable insight into the strengths of our congregation

What We Are Asking You To Do

We are asking **each of you** to complete the online **Spiritual Gifts Inventory**. The assessment:

- Takes approximately **20–30 minutes** and includes **80 multiple-choice questions**
- Should be completed at a time when you can reflect thoughtfully (the inventory does not allow for beginning the process, leaving, and returning later).

Please plan to complete the assessment by **June 30**. You may access the survey online through Discipleship Ministries here: <https://www.umcdiscipleship.org/spiritual-gifts-inventory/en>

We strongly encourage everyone to take the assessment online. If you do not have access, please contact the church office for assistance.

About the Spiritual Gifts

The United Methodist Church recognizes **20 gifts of the Spirit**, drawn from Romans 12, Ephesians 4, and 1 Corinthians 12–13. These gifts are not simply natural abilities, but ways the Holy Spirit equips believers to serve the Body of Christ. Each gift plays an important role in the life of the church. Together, they help us live out God's call to ministry in our congregation and in our community. More background on Spiritual Gifts can be found at: <https://www.umcdiscipleship.org/equipping-leaders/spiritual-gifts>

What Happens Next?

- Your individual results will be available immediately to you upon your assessment completion. Please then visit www.trinityumc.net/spiritualgifts to complete a form and send your results to Trinity.
- Once a majority of our congregation has participated, we will share a summary of the findings.

These insights can guide future **Ministry Matching** — helping members connect with committees, ministry teams, and service opportunities that align with their spiritual gifts. Spiritual gifts can grow and deepen over time. We see this as the beginning of an ongoing process of discernment, encouragement, and faithful service. If you have any questions, please be in touch with our **Strategic Planning Committee** or our **Lay Leadership Committee**.

We thank you in advance for taking time for prayerful reflection and for considering how God may be calling you to serve as we prepare for a new pastoral season and continue doing the Lord's work together.

With blessings and gratitude for your gifts -
Stephanie Ford, *Strategic Planning Committee Chair*

A FINANCE UPDATE

	April	Year to Date	% of Annual Budget
Income (all sources)	93,000	421,500	29%
Expenses	124,900	454,900	31%
Net Profit/Loss	-31,900	-33,400	

Hello Trinity Family,

Your Finance Committee met on Sunday May 17, 2026. We reviewed the Financials for March and April. Bruce Sofinski discussed financial changes that will be incurred with the departure of Pastor Brian and arrival of Pastor Gina as well as the anticipated changes with the hiring of a new Financial Administrator and a part time Office Assistant. We do not expect a negative impact to our budget. We also heard from Mike Estes, Chair of Trustees, about current projects and upcoming needs that have an impact on our expenses and future budgets. Working together with the Trustees Committee we will do our best to plan for significant expenses that are on the horizon.

The chart below shows the current month and year to date income, expenses and net profit or loss and the percentage of our annual budget year to date. These results will be presented each month so that you will know how we are progressing through the year and how we are tracking to budget.

We are currently on track with budget. Revenues are averaging about \$100,000 per month and expenses are on up due to property expenses. We have incurred some larger than budgeted expenses related to boiler and HVAC equipment.

Thank you all for your continued support of Trinity and all our ministries. None of the wonderful things that are happening here daily would be possible without your support.

SIMPLE TIPS TO HELP GOD'S EARTH FROM EARTH DAY

CALENDAR & BUILDING SECURITY

We need your help in making sure that we have all building use requests on the church calendar.

At the end of each month, we send Sonitrol our church calendar for the next month. This tells their programmers the exterior doors that need to be open for an activity or event and also has an entry/close time.

If we don't have activities and events recorded on the calendar, it can't be submitted to Sonitrol, meaning your event won't take place. We need your help making sure that your events are submitted before the end of each month.

All calendar requests go through Paula Cadden. With questions, contact Bill at bpiketrinityumc.net

1. Don't throw e-waste into your household trash, even if it's just an old charging cable or electric toothbrush. When in doubt, a quick search for "e-waste recycling near me" can point you in the right direction.
2. Buy nothing for a day.
3. Buy non-plastic toys for your pets and feed them whole food if possible. As pet owners, it's crucial to take proactive steps to reduce our pets' exposure to harmful plastics and chemicals.
4. Carry a spare set of flatware that you can bring with you in your day-to-day life to reduce use of single use plastic utensils. Stash one at your desk or office and keep a set in your backpack or purse. Likewise, carry a reusable straw with you.
5. Be plastic-free for a day. This is harder than it sounds; plastic is in unexpected places in our daily lifestyle!
6. Leave no trace of your presence on your next outing.
7. Plant a tree or native plants in your yard.
8. Have a plant-based meal weekly.
9. Shop at local farmers markets.
10. Attend an event to help the earth. Trinity often has such events!

FROM THE TRUSTEES: HEATING & COOLING TRINITY

As you know our building was built in phases — featuring construction from the 50s, 60s, 80s, and into our current time. That means our HVAC systems (Heating, Ventilation, and Air Conditioning) can be complicated.

The most challenging time for maintaining the HVAC systems is between seasons for heating and cooling. This spring has been interesting as our temperatures have ranged into the 90s during the day and upper 30s at night. This results in bouncing back and forth between heating and cooling systems.

For the Trinity Hall wing classrooms and offices, this can be challenging. Even if we have the air conditioning turned off for this wing, we are still circulating outside air into the building via the air handlers.

Please know that we are not purposely trying to make our congregation and community users uncomfortable. But, please understand that between seasons can be a challenge.

BELLEMEADE PARK UPDATES

Do you enjoy serving outdoors? Bellemeade Park (1800 Krouse St, Richmond) needs your help! On Saturday, June 6 from 9am to noon is the next **Conserve and Create** event. This will include light maintenance throughout the park, including the vegetable garden area. Children have their own individual garden plots to plant, maintain, and harvest vegetables and flowers. No registration is required!

We're also celebrating the Richmond Public Schools field trips to the park this spring! Between April 8 and May 22, there were 19 field trips. Students spent time in the Park's rain garden, sand pit, and the woodland garden. Thank you to the Trinity members that helped "Mr. Bob"—Linda Latimer, Jo Lewis, Shannon Norris, Steve Werner, and Anne-Carter Zetts.

OAK GROVE-BELLEMEADE ELEMENTARY SCHOOL APPLE ANGEL TREE, 2026—2027

The Apple Angel Tree tradition continues for the upcoming school year! Oak Grove operates on a 200-day school year, adding 20 additional days to the standard schedule. School will begin for Oak Grove students on July 27.

What is the Apple Angel Tree?

Trinity has partnered with Oak Grove for more than 20 years. One of our most popular projects each year has been providing much-needed school supplies. 50+ Trinity families participate each year.

During the spring, the teachers for grades K-5 provide a list of items they need for the upcoming school year. We turn these lists into "apples" that can be "picked". Apples will be "ripe for picking" beginning Sunday, June 28, and the supplies will be delivered to classrooms the week of July 20.

How Can I Participate?

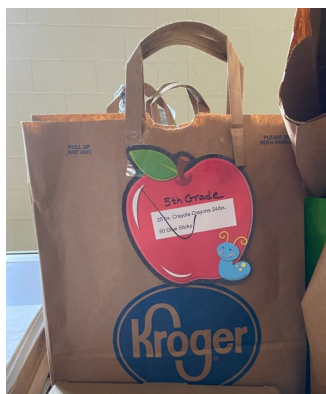

- You can choose an apple from the display in the Welcome Center or in Trinity Hall
- There will be an Amazon wish list available by June 28
- You can make a financial donation via check or envelope (notate "Oak Grove Apple Tree") or via www.trinityumc.net/give (select "Back to School Supplies")

Delivering the Supplies:

If bringing items to Trinity, please double bag in paper bags. Attach your apple to the outside of the bag. Please deliver to the rear of Trinity Hall by Sunday, July 19.

If having items shipped, please have them delivered to Trinity UMC by July 17; marked "Oak Grove Supplies".

HOW TO DO SUMMER ON PURPOSE

Can you believe it's almost summer? And it's brimming with amazing potential for you and your family. For most, summer means you'll be spending more time together – maybe even taking a long road trip or vacation. This summer, we want to challenge families to be intentional with how you spend this extra time. We want you to do your summer on purpose, viewing it as a unique opportunity to invest in those you love the most. Not only do we want to help make your summer fun, but we want to help you make your summer matter.

BELOW ARE A FEW QUESTIONS TO HELP YOU, AS A PARENT, BE INTENTIONAL THIS SUMMER IN A WAY THAT FITS YOUR FAMILY:

- What are three words that would describe your ideal summer?
- What would you like to learn about your kids?
- Are there any service projects or mission trips you could help with as a family?
- Are there any important conversations you want to have with your kids?
- Are there any new skills you want your kids to learn that you could be part of?
- Are there any new traditions you could start this summer?
- By the end of the summer, what are a few fun activities you and your family can do together that you normally wouldn't?

SOME THINGS TO THINK ABOUT AS SUMMER BEGINS:

- Pull out your calendar and start planning now with specific dates. Summer will fly by!
- Plan how you'll capture the moments.
- Ask your kids, "What do YOU hope we get to do this summer?" It's more fun when everybody help with the planning!

A NOTE FROM BEN MILLER, DIRECTOR OF MUSIC MINISTRIES

Hello, Trinity Family-

I hope you are staying cool and slowing down a bit as we walk through the Summer. Our combined worship season has certainly given me a chance to slow down and consider some long-term planning items that have been on the back burner. In the near-term, it also affords us a great opportunity to sing together, and that's what I'm writing about today.

This Summer, we are going to gather a Community Choir. It's very simple: for those who enjoy singing, but have trouble making it to Wednesday night rehearsals, we are going to gather at 9:45am before worship begins and practice a short, simple song that we can present as the anthem. After the anthem, and before the sermon, the singers will be released to sit in the congregation. There is no sign-up required.

This is a casual, low-time commitment opportunity to contribute to the music ministry. Keep an eye out for more specifics in the weekly connection, and don't hesitate to write me with any questions you have.

Soli Deo Gloria-

Ben Miller
Director of Music Ministries
