

Spiritual Gifts Brainstorming Session Sheet

In his book, *The Spirit Filled Small Group*, Joel Comiskey lays out many of the spiritual gifts found in Scripture in three different categories – service gifts, equipping gifts and prayer and worship gifts.

Let's take some time to brainstorm as a small group. What could *Serving Like Jesus* look like in our small group this year, with the starting point being the gifts that God has given us as a blessing and encouragement to the church and our community?

Discuss as a small group and jot down your ideas below.

Category 1 – The Service Gifts

These gifts include Administration, Helps, Mercy, Giving, Faith and Service. When you think of these gifts, think bringing order, helping the marginalized, compassionate acts, practical help and an unwavering trust in God.

What are some ways that people with these gifts can serve?

Category 2 – Equipping Gifts

These gifts include Exhortation, Wisdom, Knowledge, Teaching, Leadership, Shepherding and Evangelism. When you think of these gifts, think clear communication, providing care, having influence, bringing clarity, insight, wise application and counsel.

What are some ways that people with these gifts can serve?

Category 3 – Prayer and Worship Gifts

These gifts include Miracles, Prophecy, Healing and Discernment. When you think of these gifts, think speaking forth a clear message, significant time spent in prayer, signs and wonders.
