

FAFC Questions

1. Share what was most significant to you from the message.
2. Have you found people's experiences vary depending on their current place in life in respect to mothers? How is that true? Share your experience whether positive or challenging. Share an example of a mother that made a difference in the Bible? What positive characteristics do you see in them?
3. What the most important thing(s) your mother taught you in life? Is there a story or life lesson that would apply here?
4. Have mothers in the group share their most difficult and enjoyable aspect of being a mother? Name a thought or area you felt was most important for your children to know?
5. Read one of the verses about mothers from the sermons notes and share how it applies to your life.
6. If still with you, in what way will you bless her based on the message?
