

WEEK 11

The Promised Land & the Heart God Is Holy

Day 7 — Set Apart for God
Numbers 6:22–27

Devotional

Israel was surrounded by nations, cultures, and influences that could pull them away from God. Yet God called them to be set apart.

Being set apart doesn't mean becoming isolated from the world. It means belonging to God while living in the world.

You don't have to become like everyone around you to belong. You can be different without being distant.

Discussion Questions

- Where do you find it hardest to live differently because of your faith?
- What does being “set apart” look like for you at work, school, friendships, or relationships?
- What is one practical choice you could make this week to live more intentionally for God?

PRAYER

God, I belong to You.

Help me live differently without becoming disconnected from people. Use my life to point others toward You.
