God is fighting for us

Week 13

Day 2 — God Keeps His Promises
Joshua 1:10–18

Devotional
Israel had been waiting for this moment for generations.
God promised Abraham a land.
God rescued Israel from Egypt.
God carried them through the wilderness.
Now Joshua is standing at the edge of that promise.
God had not forgotten.
What God promised generations ago, He was still faithful to fulfill.
Sometimes God's promises take longer than we expect—but God's delay is not God's forgetfulness.

Discussion Questions

- What promise or truth from God's Word do you need to trust Him with today?

PRAYER
Faithful God, thank You that You don't forget Your promises.
Help me trust You when the waiting feels long.
Teach me to believe Your Word even before I see the outcome.
