God is fighting for us

Week 13

Day 5 — Remember the Stones
Joshua 4:1–9

Devotional
After crossing the Jordan, God told Israel to take twelve stones from the river and build a memorial.
Why? Because people forget.
God knew that future generations would ask, “What do these stones mean?” And Israel could tell them: “God brought us through.”
Your testimony isn't just something to remember when you're emotional. It's something you can use to strengthen your faith when the next battle comes.

Discussion Questions
- What is one “stone” in your life—a moment where God clearly came through?
- Who could be encouraged by hearing your testimony?

PRAYER
God, help me remember what You have done.
Turn my testimony into encouragement for others.
When the next battle comes, remind me of Your faithfulness
