God is fighting for us

Week 13

Day 6 — The Battle Belongs to God
Joshua 5:13–15

Devotional
Joshua encounters a mysterious figure described as the commander of the LORD's army.
Joshua asks: “Are you for us or for our adversaries?”
The response is fascinating. “No.”God wasn't simply coming to take Joshua's side. Joshua needed to understand something deeper: The question isn't whether God is on my side. The question is whether I am on God's side. Before the battle, Joshua bows. Before we ask God to fight our battles, we need to surrender ourselves to the One who fights them.

Discussion Questions
- Do you sometimes ask God to bless your plans instead of asking what His plan is?
- What would surrender look like in your current circumstances?

PRAYER
God, I surrender my plans to You.
Teach me to follow You instead of asking You to simply follow me. Let Your will become greater than mine.
