God is fighting for us

Week 13

Day 7 — When the Walls Fall
Joshua 6:1–20

Devotional

Jericho looked impossible. Massive walls.A fortified city. A strange battle strategy. March around the city. Stay silent. March again.
Then shout. It didn't make military sense.
But faith isn't always logical to the world.
Israel didn't win because they had the strongest army. They won because God was faithful to His Word. The walls didn't fall because Israel was powerful. They fell because God was fighting for them. And that's the message we carry into our own battles. The size of the wall doesn't determine the outcome. The faithfulness of God does.

Discussion Questions

- What “wall” feels impossible in your life right now?
- Are you willing to obey God even when His method doesn't make sense?
- What would it look like to surrender that battle to Him?

PRAYER

God, You are greater than every wall in front of me.
Give me faith to obey when I don't understand.
Fight the battles I cannot fight and teach me to trust You.
