

Print out the  
**CREATION** memory  
verse PDF.

Create your own  
motions for the  
verse and  
memorize it  
together!

Play the "animal guessing" game at  
dinner together.

One person thinks of an animal and the  
others take turns asking "yes" or "no"  
questions until someone correctly  
guesses the animal!

Take a walk together as a  
family.

Can you name 20 different  
things that you see on your  
walk that God created?

Thank God for His beautiful  
creation!

# creation

What is the "weirdest" animal  
each person can think of?

Talk about why God might have  
created the animal in that  
specific way.

Thank God for creating us all  
unique and special!

Read Ephesians 2:10a (NIV)  
together: "We are God's  
creation. He created us to  
belong to Christ Jesus."

Discuss together- What does it  
mean to belong to Jesus?

Think about a time you  
didn't feel very special.

Take a few moments to  
pray and ask God to help  
your family be a place  
where each person feels  
loved.
