

WORD of the Week

Print out the **PATIENT** memory verse PDF.

Create your own motions for the verse and memorize it together!

Pick someone to be the timekeeper. Set a timer for 2 minutes. Everyone else sits down and closes their eyes. Players stand up when they think it's been 2 minutes. (Don't count in your head!)

Were you close? It's hard to be patient isn't it?

Talk about the purpose of a yellow light.

Why is it important to slow down?

Pray and ask God to help you slow down and be patient with others.

PATIENT

Read 2 Peter 3:9b (NIV) together:

"Instead he is patient with you, not wanting anyone to perish, but everyone to come to repentance."

Discuss together- What is this verse saying?

Have everyone share about a specific time they struggled to be patient.

Pray and ask God to help you enjoy life to the fullest-and not miss out on what he has for you each day.

Turn on your faucet so that it's barely dripping.

Place a cup underneath.

Sit and watch the cup until it's full.

Thank God for being patient with us everyday!
