

Stu

(Drew and Stu are climbing Mt. Grumpit, and take a break and eat some lunch)

Narrator

Because Hooville is such a small little town
We know all the Hoo's up and all the Hoo's down
We know them near and far, for all Hoo's are known
Except the Gronch, he lives all alone
If your paths e'er should cross, run away in a hurry
For disturbing the Gronch may unleash all his fury!
(Drew and Stu are climbing up Mt. Grumpit, talking as they go)

Drew

(nervously)
I'm not afraid of the Gronch!

Stu

That's only because you've never seen him!

Drew

Nobody's seen him; not in a long time!

Stu

I can't imagine living up here all alone my whole, entire life!

Drew

(Looks at the door of the Gronch home, pointing)
There it is ...

(Stu & Drew stand nervously looking at each other!)

Drew

(softly)
They say he's green

Stu

I'm scared! Can we go home now?

Drew

Not yet! Get the video cam.

(Stu pulls out the Whovision Recordomajig 2000.)

Drew

(swallows hard, then with a burst of courage)
HEY GRONCH! HOW WOULD YOU LIKE A JOB?
... AS A CHRISTMAS TREE?

(Stu and Drew laugh as the Gronch sneaks up behind them.)

Drew

Your turn!

(Stu hands the camera to Drew. Drew “films” Stu.)

Stu

WE HEARD YOU LIVE UP HERE ‘CAUSE YOU’RE SO UGLY!

Gronch

(thinking to himself)

U – G – L – Y! I don’t need an alibi. I’m ugly! I really need some self-help!

(Drew and Stu slowly turn around, coming face to face with the Gronch. Stu and Drew scream, frozen with fear. It becomes deathly quiet)

Drew

You’re the ... the ... the ... the .. the ...

Gronch

(mockingly)

(evil voice)

The ... the ... the ... the ... THE GRONCH!

(Max barks and chases the kids. Stu and Drew scream, jumping down the mountain)
