

MS/HS Supply List (6th-12th Grade)

The following items are for personal use and should be stored in the student's locker or backpack for daily use. Any extra items should be stored at home in order to replenish supplies as needed (Typically around January)

- Each student will have 7 classes - they need 7 individual binders with notebook paper or 1 large binder with 7 dividers and notebook paper -- this is a personal preference
- Each student will need a composition notebook (not spiral bound notebooks) for all core classes (5 total)
- Mechanical pencils -- sometimes a sharpener is not available
- Highlighters - color does not matter
- Pens -- red and blue/black
- Notebook paper
- Folders - at least 5
- Students in grades 6-8 need a calculator for math - a simple scientific calculator will work -- these run \$10-\$20 and will make the child's life much easier
- Students in Algebra 1 also need a simple calculator
- HS students in Geometry may need a graphing calculator - please wait for the teacher's instructions before purchasing one of these -- they are typically \$80-\$100.
- Graph Paper
- Colored pencils
- Bible (NIV)
- Planner -- These will be furnished by BCS for students in grades 6-8 -- HS students will need to furnish their own.

All MS students will need to bring 3 glue sticks and a pair of scissors.

****All notebook paper and composition books should be college ruled

****Please note -- teachers may ask for specific supplies appropriate for their class. If you would prefer to wait to purchase supplies until after the first day of school that may be best. Please ensure your child comes to school on the first day with paper and a pencil, at a minimum. (Extra items may include scissors, rulers, compass, protractor, etc)

School supplies to be brought to school and delivered to your 1st-period teacher on the first day or to the designated locations at open house:

1 pack of dry-erase markers

3 packs of white copy paper

***PE shoes and PE clothes will be required on PE days
