

# REVIVE

---

The Chapel | 2505 West Hamilton Rd. South, Fort Wayne, IN 46814

The heartbeat of The Chapel has always been to see life transformation in people. This word REVIVE refers to the transformation a person experiences when they encounter the supernatural work of God in their lives. We accomplish this through the grace of God by helping people...

### BELIEVE

Revival begins when a person comes to a saving faith in Jesus Christ, who through His life, death, and resurrection, proved that He is the Savior and King of the world, worthy of our trust and worship.

### GROW

Revival grows deeper when we draw closer to God through the reading of His Word, prayer, regular fellowship with one another, and by submitting to the will of the Holy Spirit in our lives.

### SERVE

Revival is expressed when God's people cheerfully give of their time, talents, and treasures for the building up of the body of Christ.

### CHANGE YOUR WORLD

Revival spreads when God's people share their faith with others with character and care, willing to go wherever God leads them.

A man with glasses and a beard is playing a dark-colored electric guitar. He is wearing a grey button-down shirt over a black t-shirt. A name tag on his shirt reads "Titzer". The background is a Christmas tree with warm white lights, creating a bokeh effect. The text is overlaid on the right side of the image.

---

“I started playing guitar in church and I started to recognize that it was God that gave me all of my love for music, since He designed me that way, before I was born. But it’s been 20 some years now that I’ve been playing in churches throughout the country, and I can’t imagine life without doing worship and giving back in some small way. When I hear people say, ‘I love to watch you play in church,’ or, ‘I love to see the joy you have when you play guitar in church,’ there’s nothing better than that. And I’ve played hundreds of shows in front of thousands of people, but there’s nothing like worship. There’s nothing like giving back to God.”

---

## LOBBY PLAN

### WELCOMING ENVIRONMENT

People decide within a few minutes of entering a church if they are returning. We want to make sure our lobby gives our visitors a welcoming environment for a good first impression.

### NEXT GENERATION

We are specifically working with top professionals on creating the most up to date feel that will help us reach the next generation.

### VISUALLY UNIFORM

This project will tie in our new Children's Commons area with our existing Lobby. Our desire is to make our connecting spaces visually and functionally uniform.

## WORSHIP CENTER PLAN

### CLEAR SEATING

By making the transition to fixed seating inside of our worship center, we increase our capacity by clearly defining our seating spaces.

### BETTER SIGHTLINES

We are transforming the worship center seating in a way that orients people's focus toward the stage in order to enhance our worship experience.

### IMPROVED TECHNOLOGY

Updated Sound, Lighting, and Projection will give us greater flexibility and excellence in our services, programs, and concerts.

# YOUR ROLE

## REVIVE relies on you to play a vital role in the future of The Chapel.

The chart below illustrates how we can accomplish the goal of revitalizing our worship center and surrounding spaces through one-time gifts and 3-year pledge commitments that allow us to remain debt-free. It also shows that it will take your participation to reach our goal.

Every gift will make a difference. This is a perfect opportunity to come together as a family and demonstrate cheerful giving. God values the heart of the giver more than the size of the gift.

## NEXT STEPS

For the first time in the history of The Chapel, we are debt free with no looming major projects on the horizon. I would love to see us in this same position three years from now where our revived lobby and worship center are filled with people on the path to spiritual revival in their lives.

This is an important goal that is going to take every single one of us that calls The Chapel home. As your pastor, I am asking for you to join us in this effort in two ways:

1. Pray and discuss your possible commitment to this project with your family.
2. Come March 19th ready to fill out a commitment card.
