

“Do they know?”

In Hervey Bay

there are hundreds of families who will never know the life-saving truth of the gospel.

It is not that they are bad people, they will just never consider church or religion in any serious way.

Which means that there could be hundreds of children who do not follow Jesus but who would do so if only they knew.

Every child.
Every week.
Eternal impact.

RELIGIOUS INSTRUCTION IN STATE SCHOOLS

Enter, the wonderful program of Religious Instruction in State schools.

Christian Religious Instruction is conducted in state schools within school hours for those children who have been given permission by their parents.

Currently over 1000 children in Hervey Bay State Schools have this permission.

Which means that these children each week will have an instructor come to teach them the stories of the Bible and the life transforming hope of the gospel.

If only we could

The problem is that these volunteer instructors are **becoming fewer**. With the aging of our volunteer base combined with the cost of living pressures, it is hard to find people who are available in school hours to teach these Bible lessons and so there are children who are currently missing out.

The answer

This is why the Hervey Bay Christian Ministers Association, in partnership with the Alliance for Christian Religious Education have created a tax deductible gift fund which allows people like you to donate for the purposes of employing RI instructors.

There are a number of people who have the skills to do this great work but cannot afford to give away their paying job. This fund takes away that limitation, freeing RI to employ more instructors than we could raise through volunteering alone.

Do they know?

After that generation died,
another generation grew up
who did not acknowledge the LORD
or remember the mighty things
He had done

Project 100 – Would you be a part?

Project 100 is the goal to raise up **100 people who will give \$10 per week regularly**. It is like a subscription that invests into the next generation.

This will provide enough funds to be able to employ RI instructors so that no children in Hervey Bay will miss out.

Will you be one of those investors?
