Digging Deeper into "Perfect Posture - Week 3"

1. Matt began on Sunday, quoting the Lead Pastor of Christ's Church of the Valley in Phoenix, who said his #1 goal for his church is to "Stay in a posture of dependency on God." What does that mean?
2. What were the first two postures we talked about in this sermon series?
3. What were we to learn from these two postures?
4. For this week's perfect posture, let's read **Luke 10:38-41**.
5. What an amazing opportunity for Mary and Martha! To host the Messiah.
6. Martha comes across as the "hostess with the most-est." But how is Jesus the true host?
7. As this short little story starts. Where do we find Mary?
8. How did Mary get into this position? Does it say that she was invited by Jesus? If not, how else would she find herself there?
9. What is so significant about Mary being allowed to sit with all the disciples?
10. Why do you think Martha was so frustrated with Mary and Jesus?
11. Martha breaks good host etiquette; she accosts her guest. **Reread verse 40**. What was she expecting Jesus to do? And what is she implying about Jesus in the way she asks her questions?
12. What has shaped Martha's perspective, and why is that important for us to be aware of in our personal lives?
13. What do you think Mary was feeling when Martha accosted Jesus this way?
14. Have someone read **verses 41-42**.
15. What strikes you about Jesus' response? How is there both truth and tenderness in what He says?
