

Dear Church Family,

It is with both gratitude and tender remembrance that we share an important update regarding our church's Benevolence Fund.

As many of you know, David Averette faithfully served our congregation and community with a servant's heart, full of compassion, generosity, and unwavering love for people in need.

To honor his legacy and continue the work that was so dear to his heart, the Advisory Board has prayerfully decided to rename our Benevolence Fund to the "**David Averette Memorial Benevolence Fund.**"

This will be an ongoing fund for years to come. Whether you choose to give now, or in the future, you will be providing assistance to individuals and families facing hardship, just as David so often did quietly and selflessly. Every gift to this fund will be a living tribute to his ministry and a blessing to those in need.

We believe this change not only preserves his legacy but also inspires us to live out the same spirit of kindness and service he modeled so beautifully.

If you feel led to contribute, you may do so through our regular giving channels, designating your gift to the "**David Averette Memorial Benevolence Fund.**"

Thank you for joining us in celebrating David's life and his impact on Louisburg Baptist Church. This is a small way we can carry forward his mission of love in action.
