May 21st: 5K Graduation at 6 PM

May 22nd: Last Day of School

Thank you for your generosity with the donations for the baby bottles. Life Choices was overwhelmed by your outpouring love and support of this ministry.

Missions

The children will be making Thank You cards in class for this month's mission project. These will be distributed to the special people who help "behind the scene" keep our school clean and running.

It has been brought to our attention that parents are leaving their vehicles running in the parking lot when walking their child in to school. For the safety of the children and your vehicle we ask that you refrain from leaving it running when walking into the building.
