Important Reminders

- For everyone's safety, please do not let your children hang out of the car windows or sunroof in carline
- Waterbottles must be spill-proof, labeled with child's name, and contain only water.
- Your child has probably outgrown their extra clothes that stay at school. Please send in weather appropriate replacements that would fit their current size.

Mission Project

We are still collecting loose coins to fill the baby bottles for Life Choices. All donations need to be turned in by March 25th. As always, mission projects are voluntary.
