REMINDERS FOR NEXT YEAR

Please make note of our conference/meet the teacher dates. Please choose one to attend. If your child has an updated immunization record, please send in a copy to Michelle. For returning 4K and 5K students, unpaid curriculum fees will be on May's tuition statement. All students will receive a \$35 supply fee this year. This is replacing the school supply list we used to send out.

MISSIONS

THANK YOU for all of your generous donations with our Mission Projects this school year.

So many members of our community benefited and our students learned what it meant to share the love of Jesus.

**2026-2027 School Year begins August 3rd*
