METHODIST WOMEN

ST. JOHN'S METHODIST WOMEN (SJMW)

We are Christian Methodist Women who serve together and with God's love, grace, and guidance, work and serve to uplift the human condition.

All women of the church are members of St. John's Methodist Women (SJMW) and are welcome at circle meetings and all SJMW activities.

St. John's Methodist Women encourage growth in Christian faith. We provide support for local, state, national and international missions through the giving of time, talent, and financial contribution.

We grow together spiritually through worship, Bible study and prayer. We develop meaningful and lasting relationships through special activities and Methodist Women circles. We share who we are and our gifts. We work to make a difference in our community and the world.

APPLEFEST

St. John's Methodist Women sponsor Applefest annually as a major fundraising event for community organizations selected by women of the church. This event involves numerous volunteers hosting several types of booths which feature crafts, food, books, jewelry, clothing, silent auction items, and gently used household items. This is one of the most anticipated events in the area and hosts hundreds of visitors each year.

Applefest is held the first weekend in November. Since 1998, this event has raised more than \$683,516 for 32 different organizations.

VARIOUS MISSIONS

St. John's Methodist Women, through its dedicated circle members, provide goods and monetary donations monthly to various groups and organizations. During the past year, 35 groups and organizations were gifted by SJMW circles.

METHODIST WOMEN CIRCLES

St. John's existing circles each have their own "personality" choosing to serve God in many ways. Being a part of St. John's Methodist Women is an opportunity to enhance your relationship with God; combine fellowship with study, worship, and outreach; interact with other women who have a sense of purpose and commitment; and participate in varied mission activities.

Each circle has its own goals and activities - something to meet everyone's needs. Circles welcome new members all year long.

For those who want their own circle, the process is very simple. Gather a group of women with common interests; contact one of the officers listed in this brochure who will help you get started; choose a time and place for your first meeting; and develop plans for on-going circle activities. New circles are always welcome in SJMW.
