ASSEMBLY of YAHWEH
P O Box 509
Cisco TX 76437

To Whom It May Concern,

The Assembly of Yahweh (7th Day) is a religious organization that believes in the applicability of the entire Bible to our daily lives.

One of the core teachings of the Bible is that we are made in the image of our Creator, Yahweh (Gen 1:27). Yahweh commands that we honor Him with our bodies and that we are temples of His spirit (1 Cor 3:16-17; 6:19-20). These principles include keeping ourselves free of contaminants like viral DNA, swine, and animal blood (albumin) used to manufacture vaccines.

Moreover, the Bible also confirms the sacredness of human life, that Yahweh is the giver of life, and that He considers the unborn child a human life (Psa 139:16). Accordingly, as followers of Yahweh's word, we must not defile our bodies with vaccines where fetal tissues obtained from abortions were used in their research and development and, in some cases, are in the actual vaccines.

These sincere religious beliefs affect our every action. Therefore, we request a religious exemption for the person named below.

Thank you for supporting the many freedoms we enjoy in our great nation. Your cooperation is truly appreciated.

Sincerely,

Farris Wilks, Pastor
Assembly of Yahweh (7th Day)
