Questions for further study and to help parents continue the sermon with their children...

Why is Monasticism and listening to today's redefinition of the separation of church and state extremes to we should go to?

Verse 15 says, "If they had been thinking of that land from which they had gone out, they would have had opportunity to return." How does this relate to the way we think as we live in this fallen world? What should we not go back to? How should we move forward?

We are individuals who make up the church, so how should our lives represent what is said in Matthew 5:13-16 and Romans 12:1-2? How do the issues of fake godliness come out in Colossians 2:16-3:10 and Matthew 23:23-24?

How is this creation your homeland, but not your homeland yet? How are you like a foreigner living in a foreign land while knowing that this creation will be where we live in eternity as Romans 8:18-25 makes clear? How does this impact your life here and now given the previous questions?
