Lesson 6: Who is Jesus? The Great Emancipator

Text: John 3:1-21

Reading of the Text:

1. Encourage members to participate by reading a verse each.
2. After the passage has been read, members close their Bibles.
3. Now, the connect leader retells the story. **The goal is to get members to pay attention to see if the leader had missed or added anything.*
4. Now, members can open their Bibles, and verse by verse, state anything that the leader missed or added.
5. Now, members retell the story with their Bibles closed. **Connect leaders need to know the story by heart and make sure that no details from the story are missed.*

Revelation Questions:

1. How many characters can you identify in this passage?
2. Which character(s) stand out to you the most and why?
3. What passage stood out to you the most and why?
4. What is one thing you can learn about Jesus in this story?
5. What is one thing you can learn about the Holy Spirit in this story?

Reflection Questions:

Jesus is presenting this concept of just believing and having relationship and not a Kingdom that is based on performance. Sometimes it's hard to follow the Spirit of God because we don't really know where He's leading us. It's easier to have control and work things out on our own because we can almost always predict the outcomes.

1. Jesus tells us that all we have to do is believe in Him and we'll be saved. What are some ways you feel you have "worked for" your salvation?
2. Have you ever felt the Holy Spirit lead you to do something and you did it or did not do it?
3. What can you apply this week from what you learnt so you can be more in step with the Holy Spirit?

Please ensure to pray with your members after this lesson.
