INFANTS & BABIES

PLAY

Build a tower out of soft toys, such as stuffed animals, soft blocks, or stacking rings. Invite the baby to help knock it down. **We're learning a story from the Bible about a time when people built a tower to make themselves the best and the most important. They learned that God is the best! God is the most important. When we knock down the tower, say, "God is the best!"**

BIBLE

Sit on the floor with the babies and open a Bible. As you tell the story, build a tower using soft objects. **The book of Genesis in the Bible tells about when people built a tower to make themselves the best.** Start building your tower. Read Genesis 11:5–9. **God mixed up their words so they couldn't understand what each other said. God scattered them.** Knock down the tower and scatter the pieces all over. **God wanted them to know that He is the best!**

PRAY

God, we praise You because You are the best. Help us always remember that. Forgive us when we try to make ourselves important. We love You. In Jesus' name, Amen.

SING

God Is the Best

(to the tune of Three Blind Mice)

God is the best.

God is the best.

He's number one.

He's number one.

I can praise Him every day.

I can follow all His ways.

God is the best.

(repeat)
