 - POINT to the second image on the other side of this **Memory Verse Card** (can listen), and HAVE kids locate the matching **MV Image Card**.
 - Once located, MOVE that **Card** beside the first **Card**, and HAVE the kids repeat after you: "**Can listen**"
 - CONTINUE until the **MV Image Cards** are in the correct order, matching the front of this **Memory Verse Card**.
 - Then, SAY the verse together, pointing to each **MV Image Card** as you say it aloud.
