*He is the Final Rescue.
Listen to Him.*

“John is the last of the OT prophets and when he passes from the scene, an eschatologically new era commences. Now THE PROPHET has come, and he is about to give his first teaching.”

*What is the authoritative
word in your life?*

He fulfills what is required for our rescue. See that God is sovereign, Scripture is reliable, and Christ is the sufficient light to the nations.

Because he is the final prophet and the fulfillment of all that God requires he rightfully commands everyone's obedience.

What is repentance?

- Repentance is a gift from God, as he makes us miserable about our sin and leads us to deeper faithfulness.
- Repentance proclaims, “less of me, more of Christ.”

- Repentance is a work of the Spirit through the Word to change us.
- For godly grief produces a repentance that leads us to salvation without regret (2 Corinthians 7:10)
