BUILDING THE TABERNACLE: Exodus 35-40

Why do we need to be saved?

People are sinful and cannot save themselves.

God told Moses and the people to build the tabernacle so that He could dwell among them. We no longer need a tabernacle because those who trust in Jesus' life, death, and resurrection have been given the Holy Spirit so that God lives in us, not merely near us.

Story Point: The Tabernacle was built for God to dwell with His people.
