

Shavuot is COMING! Count the Omer and keep G-D's Commandments. Children: Ask your parents to print or make 5 copies of this sheet. Then each day proclaim the blessing: **"Blessed are you, LORD our God, King of the universe, who has sanctified us by HIS commandments and commanded us concerning the Counting of the Omer."** Declare the count: today is day _____ of the counting of the omer and I am 'thankful' for: _____. Then fill in the blanks, and cut off the paper ribbon and tape or paste into a link to create your own Omer Count chain. When you are finished you will have a sweet paper chain made up of blessings to decorate your Shavuot celebration.
