

Just as we go to our "annual checkup" with a physician, so we attend a marriage conference to remind us of God's baseline, HIS ORIGINAL DESIGN, for our marriages.

Regardless of your age or the stage of your marriage (or even if you're dating, engaged, or single and want to prepare for eventual marriage, or you're called to give marriage counsel), the Messianic Marriage Matters Conference provides Biblical truth that applies to all relationships.

Though this conference is specifically designed for marriage concerns, you will find that the principles are genuinely foundational for relationships of any kind.

This weekend will focus on addressing the crucial issues that need to be resolved in all marriages and all relationships

✡️ Back to Basics: What constitutes a healthy relationship? How do you feed and develop yourself and your marriage spiritually?
✡️ A Clean Slate: Are you complying with the Holy Spirit so you can lose the resentment, unforgiveness, and disrespect you may harbor in your heart?
✡️ Communicate and Reciprocate: What areas are you discussing or not discussing together? Are there areas where you are fearful of God? Are there areas of service that you resent?
✡️ Grow and Flourish: What decisions are you making by God's Word, and which ones do you fudge by your own reasoning? What spiritual battles are you facing? How can you serve God *together*?

Each day will consist of:

- Several 50-minute teaching sessions by Sam Nadler, using his book, *Messianic Marriage Matters – Restored to Our Original Design*. (The book has many more chapters than we will cover at our conference, but we will cover topics foundational to every marriage.)
- Q&A with Sam Nadler
- 30-minute guided private discussion for couples, or singles meet with a men's or women's mentor. (During this edifying discussion time, you can talk openly and encourage each other as you grow.)

Who is Sam Nadler?
