HEBREW LETTER OF THE MONTH OF IYYAR

This month's letter of the alef-bet is alef. It is the first letter of the alef-bet. Say: "AH-lef". This letter makes no sound but the sound of the nikud (like vowels in English) under or nearby the letter. The letter alef looks like it points both up and down representing both heaven and the earth, or the way G-D is a once above us, and right next to us at all times. It is the first letter in the word El, El-him and Ad-nai all of which are words we use for G-D. We make the sound of the alef in various ways, but when we pronounce it with the chirik and tsere the by smiling with the front of our tongue against the back of our top teeth and making an ee or an eh sound with our voices. Use your finger to trace it on the next page, and then look at the items that begin with this soundless but important letter; you can read the names aloud? Run your finger underneath the letters and remember that Hebrew is read from right to left.

# Oh, Be Careful

Oh, be careful little eyes what you see  
Oh, be careful little eyes what you see  
There's a Father up above  
And He's looking down in love  
So, be careful little eyes what you see

Oh, be careful little feet where you go  
Oh, be careful little feet where you go  
Our Abba's up above  
And He's leading us with love  
So, be careful little feet where you go

Oh, be careful little ears what you hear  
Oh, be careful little ears what you hear  
The Father's up above  
And He's hearing us with love  
So, be careful little ears what you hear

Oh, be careful little mouth what you say  
Oh, be careful little mouth what you say  
Yeshua is above  
And He's speaking out His love  
So, be careful little mouth what you say

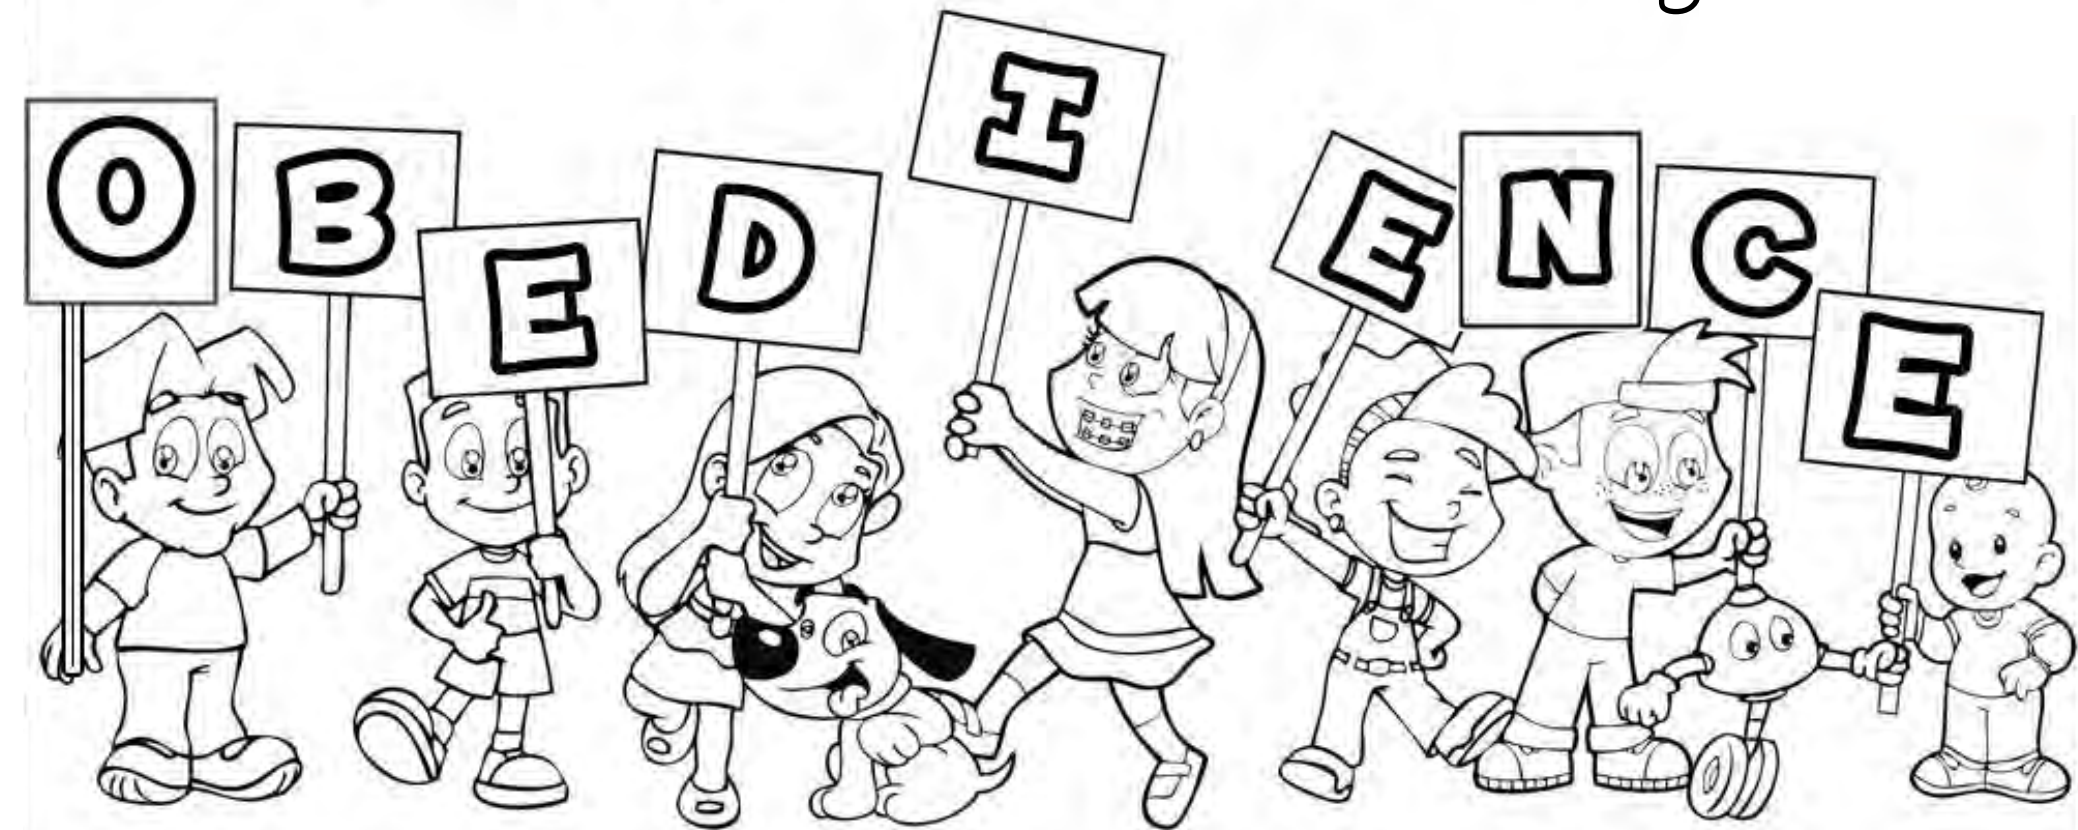

Oh, be careful little hands what you do  
Oh, be careful little hands what you do  
Our Father's up above and

He's showing us His love  
So, be careful little hands  
what you do
