HEBREW LETTER OF THE MONTH OF CHESHVAN

This month’s letter is nun. The word nun is pronounced the same way our English word 'noon' is pronounced. Nun is the first letter in the word Noach, the portion that begins our month of Cheshvan. It is a fun letter to sound out because we make the sound of the nun by closing our mouth letting the sound come out of our nose. Nun is said to represent faithfulness, and Noach building an ark for 120 years is certainly a good picture of that! Nun is the 14<sup>th</sup> letter of the alef-bet, and has a numerical value of 50. Nun makes a sound that is very like our English letter "n". Few words in Ivrit start with the letter Nun, the nivim which are the prophets, and nah'see which means president. Just like the letter the mem, the letter nun has a sofit, a final letter, that is also part of its name. The name of nun is spelled with its common form, a vav cholem, and its sofit form, which the sages tell us is a humble man (kneeling before G-D) and one lifted up (after G-D has exalted the humble). Look at the names of the things that start with the letter nun. We can learn by tracing the letter with our finger and saying the sound 'nun' aloud. Then look at the items that begin with it; you can read the names aloud and run your finger underneath the letters as you read. Remember that Hebrew, is read from right to left.

# Oh, Be Careful

Oh, be careful little eyes what you see  
Oh, be careful little eyes what you see  
There's a Father up above  
And He's looking down in love  
So, be careful little eyes what you see

Oh, be careful little feet where you go  
Oh, be careful little feet where you go  
Our Abba's up above  
And He's leading us with love  
So, be careful little feet where you go

Oh, be careful little ears what you hear  
Oh, be careful little ears what you hear  
The Father's up above  
And He's hearing us with love  
So, be careful little ears what you hear

Oh, be careful little mouth what you say  
Oh, be careful little mouth what you say  
Yeshua is above  
And He's speaking out His love  
So, be careful little mouth what you say

Oh, be careful little hands what you do  
Oh, be careful little hands what you do  
Our Father's up above and

He's showing us His love  
So, be careful little hands  
what you do
