NOTES

The first goal is to approach all scripture with humility and prayer.

In Deuteronomy 26 beginning at verse 1, we start Parsha Ki Tavo which begins with these words.

1“Now when you enter the land that Adonai your God is giving you as an inheritance, and you possess it and dwell in it,”

In this one sentence, there are the keys to walking in Ad-nai's promises. Think about it this way; You want to play a sport, so you choose one, soccer. You don't just start playing.

First, you enter soccer. You learn how to play, what the ball is like, what goals are, the different positions in the game, and how to score. Soccer becomes your sport. You become a fan; you start following teams; you choose favorites; then you possess it. You try out for a team and are chosen to play a position. Then lastly, you dwell in it, you are a soccer player. This same pattern applies to every promise Ad-nai has made in his Word.
